

An observational factual series

EMERGENCY DEPARTMENT 24/7

As close as you can get to daily life in an Emergency Room

Huge hit on Flemish public broadcaster VRT for 3 seasons and ongoing

24/7 spin-offs: Police Dept. 24/7, Kids Hospital 24/7 and Animal Doctors 24/7

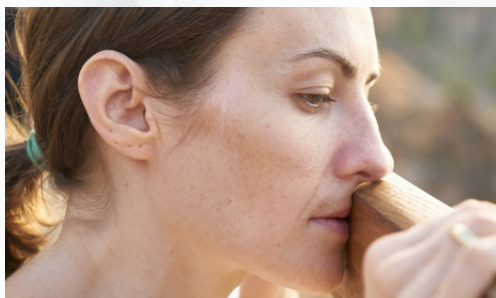

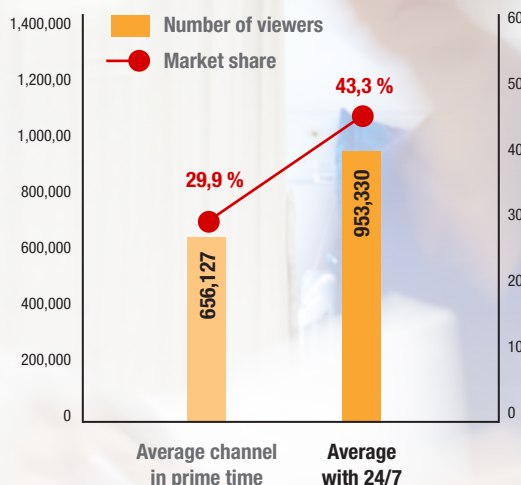

Improved average share of the channel in prime time by 45%

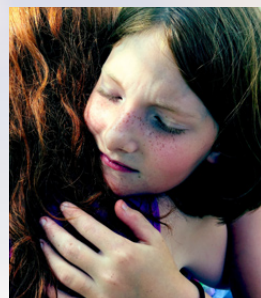

EMERGENCY DEPARTMENT 24/7

A roller coaster of strong emotions: sometimes tough, sometimes funny but in any case, heartwarming and real.

Thanks to a well thought production design and with the help of over 60 Hi tech fly-on-the-wall cameras viewers become eye-witnesses of the daily routine of an emergency team and the difficult choices they are confronted with every single day.

E.D. 24/7 (Spoed 24/7) had an average of 935,330 viewers and a market share of 43,3%. Improving the average market share of public broadcaster "Eén" in the prime time slot by 45%.

As a line producer, Eccholine offers the specific production know-how and the complete technical installation for a flawless collaboration with the hospitals and their patients.
